## **A Message from Our President!!**

June 2016

I believe that summer is here, the number of cars and vacationers has increased in anticipation of the holiday weekend, and the sun is shining and the temperature is climbing. Get the iced tea ready!

There were 23 members at the May guild meeting, a number that has been fairly consistent over the past months and I appreciate your participation, but I'm somewhat disappointed in the turnout. I thought that the six o'clock starting time would allow more members to join us and, especially now, still be home before dark. While attendance at the guild meetings has been lower, the numbers at Tuesday drop-in have grown. There is always something to see and admire, and I learn something new every week. I look forward to Tuesday mornings.

Speaking of learning something new, the May workshop with Cynthia England filled the bill. It was quite a learning experience and there was so much concentration going on that the room was pretty quiet. Cynthia was a patient and positive teacher with quite a sense of humor. She advised not to work for perfection but to just have fun and all mistakes were fixable. I haven't seen so many little pieces of fabric in a long time and the end result will be beautiful.

See you soon,  
Karen
